RE: AMENDMENT TO SR.2.3.3

To all M7RC Members and Associates,

With reference to the 2016 M7RC Regulations for the Dunlop Mini Challenges supported by Mini Spares, please note that due to an oversight the amended wording for SR.2.3.3, as voted in by the Membership at the 2015 season-end AGM/ATD, was omitted from the Final Published Copy #1, under section SR.2.3 QUALIFICATION PRACTICE (on page 6).

The amended wording is as follows:

SR.2.3.3 In the event of a Double Race meeting, grid positions for the second race will be based upon the Fastest Lap times recorded, according to the Official Result of race one.
