RE: REGISTRATION FEES Reminder

To all Club Members and Associates,

The Committee of the M7RC wishes to remind competitors/entrants of the requirements in the current regs under SR.1.4 REGISTRATION:

- SR.1.4.1 All Competitors must register for the Challenge by returning the Registration Form, with the Registration Fee, to the M7RC prior to the Final Closing date for the first round being entered. The fee includes M7RC membership, and acceptance of registration is entirely at the discretion of the Challenge Organisers/Promoters.
- SR.1.4.2 The Registration Fee is £195 - Made payable to: The Mini Seven Racing Club (M7RC).
Note - 50% reduction on all membership fees for applicants aged 21 and under.
- SR.1.4.3 Registration numbers will be the permanent Competition numbers for the Challenge. Only one Driver may be nominated per Registration Form.
- SR.1.4.4 No Organising Club will accept race entries unless the Competitor has registered and been issued a permanent Competition racing number.

In addition, competitors/entrants are responsible for paying in advance and ensuring payment has cleared/been approved, of any alternative registration fee that the M7RC may offer on a race-by-race basis. No competitor may sign on for practice, qualifying or race unless the above criteria have been met. In short, the Club and its volunteer Committee members will not be held responsible for chasing up outstanding payments due.
